

Created to care, designed to perform

Our vision

**We let people live well –
Leading the way to a better tomorrow**

Trocellen provides innovative, high-quality solutions towards a safer and more comfortable future for

**home and work,
advanced mobility,
health, sports & wellbeing.**

Our products soften the impacts around people, allowing them to focus on what they love: uninterrupted, fearless, and with peace of mind.

Our mission

Creating trustworthy solutions for today's important issues

Trocellen delivers advanced consumer and industrial solutions that improve lives in tangible ways and ensure a brighter future for all. As industry leader, we build trust, respect business relationships, and contribute to global sustainability efforts at every turn. We commit to being a fair employer that acknowledges the value of our people – together we build long-lasting value.

INNOVATION

Whenever we find that even the best solution on the market is not good enough, we are eager to create a better one.

PARTNERSHIP

Since collective success is unimaginable without collective thinking and working, we aim to build long term partnerships.

RESPONSIBILITY

We always keep our partners' interests in mind and consider the environmental and social impacts of our actions under any circumstances.

TALENT

In order to be the best, we hire the best – and we are continually developing our talent pool to remain the best.

DIVERSITY

Being at home in many markets and industries results broad knowledge base and well founded operations: we are as diverse as our partners' needs.
